SECURITY BANK, N.A. NAMES NEW EXECUTIVE MANAGEMENT TEAM

MIAMI, FLORIDA – Mr. Blas I. Betancourt, President and Chief Executive Officer of Security Bank, N.A. recently announced the Bank's new executive management team.

Jorge Carvallo, Executive Vice President and Chief Credit Officer, brings over four decades of community banking experience, including President and CEO of The Trust Bank in Hialeah, and most recently as Chief Marketing Officer of Marquis Bank. Mr. Carvallo will head the Bank's Loan Administration function, overseeing the Credit and Special Assets.

Hector Garcia, Senior Vice President and Chief Marketing Officer, has over twenty years of banking experience, predominantly in middle market relationship management and retail branch administration. Immediately after graduating from the University of Miami, Mr. Garcia entered the banking industry, employed at such firms as Bank of America and Citigroup, and most recently with Mercantil Commercebank. Mr. Garcia will be in charge of the bank's six branches and the business development efforts at Security Bank.

Thiel Fischer, Senior Vice President and Chief Operating Officer, has over six years experience in Operations and Credit Administration, most recently with Mercantil Commercebank. Mr. Fischer, a University of Miami MBA graduate and System Engineer will be in charge of all the support and financial functions of the Bank, including Accounting, Loan Operations, Human Resources and Information Technology.

The three executives will report directly to Mr. Betancourt.
